I inspected the work of the Circle Officers on 13/11/44 when I went to Mysore. Information regarding the increase in work since Government sanctioned staff for Circle Offices was not readily available. The Rationing Officer, Mysore has since furnished this information. Comparing with the work in Bangalore City rationing circles, the work of Circle number 1 at Mysore is seen to be equally heavy while that of Circle No.2 is between ½ to ¾ of it. As three clerks have been sanctioned for Bangalore City Circles and only one to the Mysore Circles, the recommendation of the Director to allow one more Clerk on Rs.40/- to each Rationing Circle at Mysore may be sanctioned.
